Sir:

Assignee, Omega Patents, L.L.C., having a mailing address of 981 N. Burnt Hickory Road, Douglasville, GA 30134, verifies through its duly authorized representative that it is the owner of all right, title and interest in United States Patent Application Serial No. 10/626,969 (hereinafter "the '969 Patent Application") and has remained owner of all right, title and interest from the time of filing the original Assignment to the present. The Assignment was recorded on July 25, 2003, at Reel 014346, Frame 0882.

Assignee hereby disclaims, except as provided below, the terminal part of any patent granted on the '969 Patent Application which would extend beyond the expiration date of the

full statutory term defined in 35 U.S.C. § 154 to § 156 and § 173 of any patents granted on co-pending application 10/648,931. Petitioner hereby agrees that any patent so granted on the '969 Patent Application shall be enforceable only for and during such period that it and the '931 Patent Application are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the Grantee, its successors or assigns.

In making the above disclaimer, Petitioner does not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. § 154 to § 156 and § 173 of the prior patent, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. § 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may

jeopardize the validity of the application or any patent issued thereon.

For submission on behalf of Assignee, the undersigned is the attorney of record.

Authorization is given to charge the Terminal Disclaimer fee of \$65.00 to the attached credit card payment form PTO-2038. If any additional extension and/or fee is required, or if any additional fee for claims is required, charge Account No. 01-0484.

Respectfully submitted,
